Signature of Licensee or Homeowner (Homeowner signature indicates compliance with Homeowner Affidavit below)

**I hereby certify the electrical work described on this permit application shall be installed by myself in my home in which I am living or about to occupy. All work shall be installed in accordance with the Electrical Code and shall not be enclosed, covered up, or put into operation until it has been inspected and approved by the Electrical Inspector. I will cooperate with the Electrical Inspector and assume the responsibility to arrange for the necessary inspections.**

**6. EXPIRATION/CANCELLATION OF PERMIT:** A permit shall become invalid (expire) if the authorized work is not complete within 12 months after issuance. A six-month extension may be granted at the cost of \$50.00 if requested in writing prior to permit expiration date. Expired or extended permits cannot be refunded or reinstated. An administration fee of \$50.00 will be charged to all permits canceled within the first 12 months.

**7. FEE CLARIFICATION:** When installing a site in a park, the permit application must include the application fee, service, plus the number of park sites. Work must be done by a licensed electrical contractor.
