

RFP Notification Request

Business Name: _____

Email(to receive notifications): _____

Phone: _____

This form is intended to serve as an official request to be notified of upcoming RFP's. By signing this form, the signer understands that this notification is a manual process and that while every attempt will be made to timely notify vendors when a new opportunity arises, there may be technical, personnel, environmental, and/or other miscellaneous issues that arise that may delay these notifications. Note, when signing up for these notifications, the chosen Email will receive updates of ALL the posted RFP's, not just those that might overlap with their specific industry. Please complete this form and mail it to the following address
