4. PLAN REVIEW REQUIRED (see item 40. Commercial Plan Review Fee Page 2)

See below for plan review requirements before completing this section. Plans and specifications must be submitted for one and two-family dwellings when the input rating of the building heating/cooling system exceeds 375,000 BTUs.

Building size in square feet: _____ Input rating of heating system _____

Have Plans been submitted? Yes No Not Required

Plans are required for all building types and shall be prepared by or under the direct supervision of an architect or engineer licensed pursuant to Act No. 299 of the Public Acts of 1980, as amended, and shall bear that architect's or engineer's seal, except for the following:

- One-and Two-Family dwellings when the total building heating /cooling system input rating is 375,000 BTUs or less.
- Alterations and repair work determined by the mechanical official to be of a minor nature.
- Business, mercantile, and storage buildings having HVAC equipment only, with one fire area and not more than 3500 square feet of area.
- Work completed by a government subdivision or state agency costing less than \$15,000.00.

PLANS MUST BE SUBMITTED BEFORE A PERMIT CAN BE ISSUED

5. APPLICANT SIGNATURE

Section 23a of the State Construction Code Act of 1972, 1972 PA 230, MCL 125.1523A, prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who are to perform work on a residential building or a residential structure. Violators of Section 23a are subjected to civil fines.

Signature of Licensee or Homeowner (Homeowner signature indicates compliance with Homeowner Affidavit below) _____ Date _____

I hereby certify the mechanical work described on this permit application shall be installed by myself in my home in which I am living or about to occupy. All work shall be installed in accordance with the Mechanical Code and shall not be enclosed, covered up, or put into operation until it has been inspected and approved by the Mechanical Inspector. I will cooperate with the Mechanical Inspector and assume the responsibility to arrange for the necessary inspections.

6.EXPIRATION/CANCELLATION OF PERMIT: A permit shall become invalid (expire) if the authorized work is not complete within 12 months after issuance. A six-month extension may be granted at the cost of \$50.00 if requested in writing prior to permit expiration date. Expired or extended permits cannot be refunded or reinstated. An administration fee of \$100.00 will be charged to all permits canceled within the first 12 months.

COMPETE APPLICATION ON REVERSE SIDE >>>>>
