

HURON COUNTY EMERGENCY SERVICES EMERGENCY MANAGEMENT

99 W. SOPER ROAD, BAD AXE MI 48413

Request for Bids / Proposal

Analog Public Safety Emergency Notification Pagers

Huron County seeks proposals for the purchase of emergency response pagers for use by public safety first responders. Specifically, the pagers will be carried by ambulance and fire departments personnel for alerts to respond to emergency calls for service in Huron County.

All responding bids should include any price breaks for multiples of purchase over 50, 100, and 125 and above of the type of pagers included in the bid.

Bids for the pagers should include all necessary items to make the pager work, such as chargers or batteries. If batteries are replaced periodically the bid should include information on the generally accepted replacement cycle of such batteries and replacement battery cost.

PROGRAMMING COST OF THE PAGERS SHALL BE LISTED AS AN OPTIONAL PURCHASE ITEM LISTED SEPARATELY FROM THE PRICE IF THAT COST IS NOT INCLUDED WITH THE PURCHASE PRICE OF THE PAGER.

Sealed, received bids will be opened by the Huron County Board of Commissioners. A Huron County Board of Commissioners committee will evaluate the information provided and make a recommendation to the Board of Commissioners on any purchase.

Huron County Board of Commissioners shall be the sole judge in determining how the evaluation process shall be conducted and what vendors shall be considered. The Huron County Board of Commissioners may conduct such investigations, as it considers necessary, to assist in the evaluation of vendor-provided information to establish the responsibility, qualifications, and financial ability of any potential vendor.

Vendors are expected to put forth their "best and final" pricing as a component of this bid. While price will not be the only factor considered in selecting a vendor, cost to the organization is a critical factor.

Huron County reserves the right to reject any and all bids / proposals, in part or in whole, and to award to the most responsive and responsible firms as deemed in the best interests of the Huron County; further, the right is reserved to waive any formalities or informalities contained in said proposals.

All proposals and copies thereof are to be prepared and submitted at the submitter's expense. Also note, upon submittal to Huron County, the proposals may become public record and are subject to the Agency's FOIA guidelines. The respondent may request certain sections of the response that contain proprietary business intelligence or system technical details be redacted if such redaction is allowed under agency policy and governing law.
